Elfman:what the hell happened to the poor kid(horrified)

Mira:we should take him to porlyusica right now

They took them to see the old lady who lives in a forest far away from the city and they looked at the boy who had white hair like them and later when they arrived at porlyusica's place and later she treated him and covered him in bandages

porlyusica:this kid...he must've suffered from abuse from his family and he seems he's not from here

The old lady took a look at Lincoln and then sat down to a chair and waited for him to wake up

And now Lincoln louds new life will begin and he will start a new life at the world he was sent and also a new adventure will begin for this young boy

he was cut off when Lincoln hits him in the neck knocking him out

Lincoln:yeah yeah your name is bora I've heard of you so your just taking advantage to these lovely lady's with a spell

Then some rune knights came and Lincoln turned the man named bora to them and they took him away and the ladies walked away confused

Lincoln:that guy has been trying to trick the lady's and do something awful

Lucy:I don't know about that but he was real creep

Lincoln:hehehe yeah

Lucy:thank you for your help

Lincoln:yes these two are my friends and I guess your new here

Lincoln:*her name sounds like the goth sister I had but I guess I shouldn't worry*

Lucy:by the way how do you knew that creep was

Lincoln:well bora is a mage who was kicked out of his guild by bad behavior and he decided to trick girls and take them somewhere

Lucy:so he was using a charm spell those were banned for years

Lincoln:and he somehow got one and used it for his own selfish needs

Lucy:and thanks too you Lincoln I snapped out of it

Lincoln:no problem luce...what kind of wizard are you

Then natsu burst into the doors and started shouting

Natsu:WE MADE IT BACK ALIVE(shouting)

the guild:WELCOME BACK(greeting at them)

Guildmate:I heard you were in hargeon natsu had started to mak---

he was cut off when natsu kicked him in the face and lucy panicked

Lucy:why would you do that

Lincoln:well that's natsu for ya

Lincoln:(to the reader)hello guys I almost forgot about you as you can see I became a fairy tail wizard thanks to my new siblings and I happen to live with mirajane and elfman outside of the city and you see lucy is a new fairy tail memeber but her name sounded familiar.....anyway lets get back to the story shall we

Happy:aye

Natsu:you lied about that salamander I'm gonna kick your butt

Guildmate:don't get mad at me I'm not the one to blame here I was passing along a rumor I heard

Natsu:it was just a rumor

Guildmate:you wanna fight

Then both of them started to fight and make a mess

Happy:now now natsu I think you need to--

Happy didn't finish talking when something hits him in the face and send him flying

Lucy:oh wow I'm actually standing inside the fairy tail guildhall

???:so natsu and Lincoln made it back HUH

Lucy:ehhh(shocked)

This is gray fullbuster a very talented wizard but he tends to...well he was a bad habbit of taking off his clothes

Gray was in his underwear and he walked up to the fight

Gray:it's time to settle this once and for all

???:gray your clothes

Gray:I don't have time for that

This lovely lady is cana alberona she holds the title of fairy tails heaviest drinker

Cana:(sigh)you see this is why I don't date the men here because they have no class

she grabbed a barrel and drinks it all and lucy had her mouth and eyes wide open

Gray:COME HERE AND FIGHT ME NATSU

natsu:NOT TI'LL YOU PUT SOME CLOTHES ON

then a big white haired man approached to the fight

Elfman:it's onlt new you boys are winning like spoiled babies

Lincoln:(to the reader)he's my big brother you all know he likes things that are manly

elfman:I'm a real man you want me to prove it to ya

Lucy:can't believe he's encouraging them

Both natsu and gray punched elfman and send him flying across the guildhall

Lucy:they knocked him out that easily

???:geez it's so noisy around here huh

Lucy turned around and see an orange hair man with two girls

This the lady killer loki bright high on the wizards bachelor's list

Then something hits loki and he gets frustrated

Girl:are you alright

Loki:I'm going to fight only to protect you two

Both:good luck loki

Lucy:he's definently off my list
What the heck is wrong with these people Lincoln

Lincoln:that's how we are each of us have different likes

Lucy:but is there One sane person in this whole place

Mira:hello linky

Lucy turns around and see mirajane and Lincoln hugging each other

Lincoln:hey sis I'm back

Mira:(giggles)did you take care of natsu little brother

Lincoln:of course

Then mirajane looked at the blonde girl and she smiles

Mira:oh hello are you new here

Lucy:*it's mirajane in the flesh*

Lincoln:(to the reader)mirajane here is a beautiful woman she apparently appears in magazines as the cover

Lucy:um don't you think we should try to stop them or something

mira:don't worry it always happens around here I just leave them alone

Mira:besi---

she didn't finish when elfman crashed into her and she finished talking

Mira:I-it's kind of fun don't you think

Lucy:AHHH DON'T DIE MIRAJANE

then gray crashed into lucy and that's when natsu had gray's underwear

Gray:give me back my underwear jerk

Gray:exuse me can I please borrow your underwear

Lucy:AS IF(grabs something and hits him)

Then loki grabs her

Loki:these guys are so bothersome huh

Then elfman hits loki

Elfman:men only speak with our fist loki

Natsu:I told you to butt out

Happy:aye

Cana:(sigh)so loud...so much for having a drink to relax

Cana:that's enough you guys I suggest you knock it off(uses her cards)

Gray:oh yeah says who(making ice)

Elfman:RAHHHHH(transforming his arm)

Loki:you punks can be such a nuisance(using his magical ring)

Natsu:I'm ready for ya(using his fire)

Lucy grabbed happy and uses him as a shield

Lucy:they always fight like this

Happy:uh huh

Lucy:you don't seem worried

Then a huge siluet comes and yell at them it was the master

Makarov:will you fools stop bickering like children

Lucy:he's huge

They all stopped but then mira and Lincoln broke the ice

Mira:oh I'm sorry i didn't you were still here master

Lincoln:what's up master

Lucy:did you say master

Natsu:(laughs)man talk about a bunch a babies looks like I won this time

Then natsu gets stomped by master makarov and after that He looks at lucy

Makarov:well seems we have a new recruit

Lucy:yes sir(scared)

Then makarov started to shrink anf go to to his regular form

makarov:nice to meet ya

Lucy:he's tiny so this little guy is in charge here

Mira:of course he is allow me to introduce the fairy tail master makarov

Lincoln:and lucy he may be old but he can kick someone's ass

Then master makarov jumped to the second floor and cleared his throat

Makarov:you've gone and done it again you bunch of clods just take a look at the paperwork that the magic council sent me this time this is the biggest pile of complaints yet

Makarov:have you lost your minds all you kids are good for is getting the higher ups mad at me

Makarov:however....I say the heck with the magic council

Makarov burns the paperwork and toss them to the floor but natsu jumps and eats the flames

Makarov:now listen up any power that surpass reasons still comes from reason right magic isn't some miraculous power it's a talent that only works when the flow of energy inside us and the flow of energy in the natural world are in perfect sincronincation to perform magic one must have a strong mind and the ability to focus it take over your being and comporing out your soul if we do is worry about following rules then our magic will never progress don't let those blow hogs of the Council scare you follow the path you believe in cause that makes the fairy tail guild NUMBER ONE

Everyone started cheering about the masters speach Lucy was surprised of how fairy tail was and Lincoln had a smirk on his face

chapter 5:monkey business

[image] [image] [image] [image]

https://www.youtube.com/watch?v=63EWW0WBVGk

now mirajane stamps Lucy's right hand ans as was excited to be a memeber of fairy tail and she

Mira:there now your an official member of the fairy tail guild

Lucy gasp as she finally joined the guild she always wanted then walked up to natsu

Lucy: hey natsu look mirajane just put the official mark on my hand

Natsu:oh yeah that's cool welcome to the guild lunny

Lucy:THE NAMES LUCY(shouted)

Natu was currently in front of a board with some missions and he was trying to pick one

Happy:make sure to be the one with the big reward natsu

Natsu:whoah One hundred and sixty thousand jewl to get rid of some thieves

Happy:sounds good to me

master makarov was sitting in a table and then a small kid talked to him

???:how come my dad hasn't come back yet

Makarov:your starting to work my nerves romeo your a wizards son have faith in your father and wait patiently for him

Romeo:but sir he told me he'd be back in three days and he's been for over a week now

Makarov:if I remember correctly he took a job on mt hakobe

Romeo:that's right and it's not that far from here so why won't somebody go look for him

Makarov:listen kid your old man's a wizard and like every other wizard in this guild he can take care of himself

Makarov:now go home have some milk and cookies and wait

Romeo clenched his fists and punches master makarov in the face calling him a jerk

Romeo:(sob)I HATE YOU ALL

when romeo left Lucy who was sitting next to Lincoln she felt bad for the little kid

Lucy:that's gotta be tough

Mira:I know it's sounds like the master doesn't care

Mira:but he's really worried

Then two noises were heard natsu punches the request board and Lincoln punching the table

???:what do think your doing you almost broke the board natsu

Natsu walked outside from the guild and Lincoln did the same

Makarov:(sigh)

???:it doesn't look good master you know how those two can be I bet their going to mt hakobe to save macao

Guildmate:when will those kids ever gonna grow up

???:who knows going after macao is going to do anything except hurting their pride

Makarov:remember nab we can't chose anothers path just let them be

Lucy:why did natsu and Lincoln got so upset

mira:probably they and romeo have a lot in common

Mira:I think they see themselves as romeo

Mira:just because we're members of fairy tail dosen't mean we have our own personal issues we all had our fair share of suffering a lost

Time skip

Lincoln:lucy why did you have to come
With us

Lucy:I thought maybe I could help

Lucy sees natsu laying on the seat while getting dizzy

Lucy:wow you really a serious case of motion sickness don't you

Lucy:it's just another reason I feel sorry for you

Lincoln chuckled of how Lucy was trying to make fun of him

Natsu:w..whats..that supposed to mean

Lucy:oh nothing forget I said anything

Flashback

Mira:many years ago natsu's father left and never came back well technically wasn't his real father the one who raised him he was actually a dragon

Lucy:he was a what(surprised)

Lucy:natsu was really raised by a dragon

Mirajane nodded

Mira:when he was a little boy a dragon found him wondering through a forest he took him in taught him all about language culture and magic

Mira:but one day the dragon disappeared never returned

Lucy:so that dragon must've been igneel

Mira:thats right and natsu lives for the day when he'll find igneel

Lucy:and what about Lincoln

Mira:a few years ago me and my brother were in the forest outside of the city as we came back from a mission and we heard something

Mira:my brother thought it was someone hurt so we checked to see who it was and it turns out it was him

Lucy:so how was he when you found him

Mira:my brother and I were horrified as we saw Lincoln wearing a suit filled with muck and blood all over it so we decided to take him somewhere to treat his wounds

Lucy:did he had a real family

Mira:he did....but they betrayed him and abuse and blamed him for something that doesn't exist

End of flashback

Lucy was looking at natsu for a while and then the carriage stop

Lucy:I guess were here

Natsu:ALRIGHT WE STOPPED MOVING

Man:I'm sorry but this as far as I get

Lucy:why is it so cold I know we're on a mountain but it's summer right now it shouldn't be a blizzard like this anywhere

Natsu:what's what you get for wearing light clothing

Lincoln:you should've brought a bunch of sweaters just in case

Lucy:oh please your not dressed for it NOW HAND OVER THE BLANKET

natsu:so she keeps on talking huh

Happy:aye

Then lucy got an idea

Lucy:oh I know

She grabs a silver key that looked like a clock and shouted

Lucy:OPEN GATE OF THE CLOCK CONSTELLATION HOROLOGIUM

Horologium:tic toc

Natsu:a clock wow

Happy:that is so cool

Then they saw lucy inside the spirit covering the with the blanket and she talked but they couldn't hear her

Natsu:wait I can't hear you

Horologium:she says I'm staying in here and I'm not coming out

Natsu:then why you tagged along

Horologium:what kind of crazy job would force macao to come to a place like this she inquires

Lincoln:you should've ask that before you came with us

Natsu:he went to slay a vulcan it's a big monster

Horologium:I want to go back to the guild she proclaims

Natsu:go ahead and be me my guest I say back

Happy:aye

Then the wind was getting stronger but natsu and Lincoln didn't gave up

Natsu:MACAOOO WRE ARE YOU

happy:MACAOOO

when natsu and happy shouted a siluet jumps and tried to hammer slam natsu and Lincoln looked at it

Lincoln:It's a Vulcan

Happy:that's a big monkey

The vulcan sniffed at both wizards ran to the spirit clock and knocked on the window door when Lucy as closing her eyes

Lucy:huh

Vulcan:me like human woman

Then natsu hits his hand he was fired up

Natsu:so you can talk eh

Then natsu looked as the Vulcan grabs

Horologium:don't just stand there hurry up and save me she yells furiously

Lincoln:DAMN IT

Natsu:we better save her Lincoln LETS GO HAPPY

Vulcan:me no like man me like woman

Lucy then looks outside and she was afraid

Lucy:this looks bad news he can't survive out there

Lucy:NATSUUUU

Lincoln:tsk I guess this ape prefers women talk about perversion

Then they looked back at the Vulcan hitting his chest

Vulcan:woman woman woman
woman

Lucy:alright you pervy monkey your going down

She grabs a golden key that looks like a mini axe

Lucy:OPEN GATE OF THE GOLDEN BULL TAURUS

Taurus:MOOOOOOO

Vulcan:cow

Lincoln:so the constellation of the bull is actually a humanoid bull

Lucy:I should warn you monkey boy Taurus is the most strongest celestial spirit that I contract with

Taurus:oh wow miss lucy I almost forgot you have a nice figure you have

Taurus:why don't you give mee a smoooch

Lucy:oh yeah he's a big perv too

Lincoln:*good thing I wasn't born under the Taurus constellation otherwise I be named aldebaran*

Vulcan:don't touch my woman

Taurus:your woman

Taurus:thems fighting wooords then lets fight

Lucy:GET HIM

Taurus grabs his axe from his back and spins it and jumps by trying to hit the giant ape

Lucy:he's fast

Lincoln:I can see that thing has some skills

Then when the Vulcan was about to punch Taurus Taurus gets kicked by natsu who appeared out of nowhere

Lucy:NATSUUU

Taurus:moooo moooo moooo

Taurus:looks like this the end for me

Lucy:he failed

Natsu:hey so how come there more monsters now when I left

Natsu:heh happy came to save me thanks lil buddy

Happy:aye

Lucy:so you can't handle any transportation but flying with happy is ok

Natsu:what kind of stupid question is that

Natsu:happy isn't a motive transportation he's my friend i mean duh

Lucy:your right it's totally wrong of me to compare you too

Lincoln:uh guys don't forget we have a vulcan to stop

The two didn't realize but the Vulcan was angry

Vulcan:My woman

The Vulcan tried to hit natsu but he grabs the vulcan's hand

Natsu:you listen up I consider everyone in the fairy tail guild my friends

Then natsu hits the Vulcan and pushes it farther away

Natsu:whether is gramps and mira or even those annoying jerks gray and elfman

Lincoln:and don't forget about me natsu....

Natsu:Lincoln happy and lucy too there all my friends

Natsu started to use his fire as a magic circle appeared on his feet

Natsu:which is why

Natsu jumps andpunches the Vulcan in the gut

Natsu:I'M NOT LEAVING WITHOUT MACAOOO

Pieces of ice fell from thr ceiling and then the vulcan clapped its hands and make wind pressur

Natsu:YOUR ICE ATTACK HAS NO EFFECT ON FIRE

When the smoke cleared out the vulcan grabs the axe that Taurus had when lucy summoned him

Vulcan:heh heh

Natsu:that's not good

Lucy:he got Taurus's axe

Taurus:please take care of it miss lucy

The Vulcan teied to attack natsu with the axe bit by surprise Lincoln hits it in the gut pushing it again

Lucy:whoah Lincoln was so fast I couldn't even see him

Natsu:man you always ruin the fun linc no fair

Lincoln:you were taking so long so it's my turn

The Vulcan ran towards Lincoln to attack him with the axe but Lincoln was faster

Vulcan:huh

Lincoln:TAKE OVER BLACK DRAGON ARM

A magic appears on his left arm and transforms into a dragon's arm and then a purple sphere formed and launched it to the vulcans back

when the Vulcan got hit the ape fell to the ground and it was out cold and Lincolns left arm went to normal

Happy:he beat it

Lucy:yeah but wasn't this monkey supposed to tell us where you're friend is

Lincoln:don't worry when it wakes up he'll answer me

When lucy was about to talk the Vulcan started to glow and then smoke covered it

Natsu:what in the heck was that---

Natsu:macao

Lucy:are you telling me that big perverted monkey was actually your friend this whole time

Happy:yeah must've been taken over by that Vulcan

Lucy:what do you mean taken over

Happy:the Vulcan must've use a possession spell on him

Lincoln:you see Vulcans survive by stealing people's bodies and taking them over

Happy:yeah their evil body snatchers

Lincoln grabs the blanket and puts it in the floor and natsu lays macao on top of it and patch his wounds with bandages

Happy:it looks like he put up a good fight before that Vulcan finally got to him though

Natsu:macao don't you die on me romeo's waiting for you open your eyes

Then macao slowly opens his eyes and saw them

Macao:n..natsu l..Lincoln

Natsu:your ok

Lincoln:hello little one did you got lost

The wold cub backed up a little bit and it started to get scared

Lincoln:don't worry I won't hurt you

The cub calmed down and walked slowly and Lincoln picks the wolf up

Lincoln:I'm not sure how you got here little fella but I will take care of you

Wolf cub:(licking his left cheek)

Lincoln:hehe c'mon lets go inside

The wolf cub waves it's tail and barked And Lincoln then goes inside the guildhall and some of the guild members saw the little animals

Macao:whoah why do you have a little puppy linc

Lincoln:it was in the bushes when I went outside

Then mira comes and she sees her little brother with the little animal and smiled

Mira:awww how cute where did you found it

Lincoln:oh hey big sis I found him in the backyard

Mira:that's sweet so what are you going to name it

Lincoln:hmmm...

Then a light bulb appeared on his head and he had a smile on his face

Lincoln:I'll call him fenrir like the giant wolf of the Norse

mythology

Mira:well I hope fenrir behaves good as long as you train him

Then the doors open and they saw natsu lucy happy and gray

Mira:welcom back how did the mission go

Lucy:it turns out both natsu and happy used me so I can dress up as a maid then the book had a secret after all that we encountered gray and then a group of people tried to attack us and eat happy

Happy:it's true and I really don't taste good

Natsu:at least we made it back Alive

Gray:yeah we don't know in which guild they're from so somehow disappeared

Then lucy looked at Lincoln and noticed fenrir on his arms and she had hearts on her eyes

Lucy:aww what cute little wolf I didn't know you had pet Lincoln and what's it's name

Lincoln:hehe I'm going to keep it and I named him fenrir

Lucy:like the giant wolf of the Norse mythology

Lincoln:yeah fenrir here will be my new partner so first things first I'm going to train him

Natsh:so fenrir is going to be your new partner

Lincoln:yeah besides happy has wings so he's basically based on flight and I'm sure fenrir is based on land

Natsu:huh

Happy:really so your replacing me with fenir your mean linc

Lincoln:that's not it happy you are natsu's best friend and partner so fenrir will part of our team soon when he's grown

A few hours later

In The guildhall everyone were having fun natsu and gray started to fight lucy doesn't know why loki keeps his distance away from here and Lincoln was with levy talking about the book that he wrote

Lincoln:so how did you like it

Levy:the book has an amazing I was surprised that the main character's personality changed

Lincoln:oh right I forgot to tell you that it's based on a true story

Levy:(gasp with sparkly eyes)

https://www.youtube.com/watch?v=63EWW0WBVGk

The next thing when natsu gray lucy and happy arrived they told the blonde mage that there was a rumor about loki who had a bad relationship with another celestial mage

Lucy:I still don't get why he doesn't want to talk

Lincoln:ever since I met him I asked him if he had a girlfriend

Lucy:and why is that

Lincoln:well I always watch loki trying to flirt with every girl he sees but when he told me about his relationship with a celestial wizard well....yeesh

Lucy:oh okay...

For a moment natsu bumped into lucy as he was fight with gray but then Loki burst into the doors

Loki:WE GOT BAD NEWS

Everyone in the guild went scilent for moment and as they watched a scared loki

Loki:IT'S ERZA SHE'S ON HER WAY HERE

everyone panicked but Lincoln had a smirk on his face and lucy was confused

Lucy:wow just mentioning her they freak out

Lincoln:well she is the strongest in the guild and she can be bossy but that's how she is

Everyone in the guild heard some footsteps and a siluet coming towards the guild and everyone started to whisper about her

And when the siluet went inside it showed erza holding a giant horn on her arm and she puts it in thr floor

Erza:I have returned were is master makarov

Mira:welcome back erza the master is at a conference meeting right now

Erza:I see

Guildmate:so um what's that humungous thing you got there

Erza:it's the horn of a monster that I defeated the locals were so thankful that they decorated and gave it to me as a souvenir do you have problem with it

Guildmate:NO NOT AT ALL

Cana:I bet she already heard about mt hakobe(whispered)

Macao:oh god(gulped)I'm a gonner

Erza:now listen up

Erza:while I was on the road I heard a few things word is fairy tail is causing nothing but trouble

Erza:master makarov may not care but certainly I do cana stop drinking

When Cana her name she stopped drinking beer

Erza started scolding everyone and then looked at macao

Erza:and macao...(sigh)

Macao:*please just say anything*

Erza:I don't know what to begin with you you'd cause so much trouble that I almost given up

Lucy:she's sounds bossy it's like she runs the place(whispered)

Happy:that's erza for ya

Lucy:and she looks sane I don't why everyone is so afraid of her(whispered)

Erza:are natsu gray and Lincoln here

Happy:aye

Natsu and gray stopped fighting and both puts their arms around each other and started sweating

Gray:oh hey erza we're just hanging out like the good friends we are

Natsu:aye

Lucy:why is natsu talking like happy

Erza:that's great that both of you get along

Lincoln:I bet the mission went well erza come and relax for a bit

Erza:thanks for the offer Lincoln but I need you gray and natsu to do me a favor

Lincoln:then lets hear it

Erza:while traveling I overheard something that has me worried normally I would consult with the master before acting but he's not here and this is a matter up most urgency

Lincoln:what kind of emergency

Erza:the three of you are the strongest wizards here I could really could use your help

Everyone gasped as they heard the strongest female wizard for help

Erza:we'll meet at the train station tomorrow morning

Gray:*me and natsu*

Natsu:*on the same team*

Mira:natsu erza gray and Lincoln working together I never saw that one coming

Mira:this could be..the most powerful team fairy tails has ever seen

Time skip

In the city Lincoln was walking fenrir for a walk in the park while thinking about what erza said and he was looking at fenrir

Lincoln:me gray natsu and erza working together I wonder why

The little wolf was looking at his partner and he made a gesture of being worried

Lincoln:It's nothing little bud hehe....

Lincoln:*I wonder how lily and had are holding back at home*

Lincoln then left the park when he was thinking but in the woods there was someone watching him

???:so Lincoln didn't die tch...soon we'll meet have a reunion brother hehehehe

chapter 8:lullaby arc part 1

[image] [image] [image]

https://www.youtube.com/watch?v=63EWW0WBVGk

In the train station of magnolia natsu and gray were arguing about why erza wanted both of them to team up and causing a scene

Natsu:teaming up with you is the worst idea ever

Gray:yeah tell me about it erza made a huge mistake asking a loser like you to come along

Natsu:fine then why'd you just take care of it yourself I don't want to go anyway

Gray:sounds like a plan to me than I'll get to beat you senseless

Both ice and fire mages were still arguing while Lincoln lucy and happy were sitting on a bench

Lucy:lets just sit here and pretend we don't know them

Lincoln:just ignore them...and why are you here luce

Lucy:your sister ask me to tag along

Flashback

Mira:those two are going to beat each other when erza is not looking so I want you to eb there to stop them

Lucy:who me

End of flashback

Happy:well you aren't doing a very good job

Lucy:their hopeless

Natsu and gray didn't stop but Then they heard erza coming

Erza:sorry if I'm late have you been waiting long

Lincoln:no not at all we just arrived

Lucy:yeah not at---

Lucy didn't finish when she saw erza with a giant wagon holding her luggage

Happy:whoah look at all the luggage

Lucy:ALL THOSE BELONG TO YOU

Gray:it's time to go buddy

Then Natsu and gray grabbed each other and started dancing

Natsu:aye haha

Lucy:ok one happy is enough

Erza:good I really love to see the two of you get along..and who you might be

Lucy:my name is lucy and I just joined fairy tail mira asked me to come along With you guys so I can learn a thing or two I hope that's ok with you

Erza:the more the merrier I'm erza..wait your the girl I heard about

She turns around and see both mages who are acting to get along

Erza:I was told that you defeated a mercenary gorilla using your pinky finger it'll be great to have a wizard like you on board thanks for your help

Lucy:uh i..it's my pleasure

Natsu:hey erza I'll come with you but only one condition

Gray:shut up

Erza:well then lets hear it

Natsu:I want a rematch when we get back to fairy tail just you me and Lincoln

Gray:what's wrong with you you got a death wish or something

Natsu:I'm a lot stronger than I was last time and this time It'll be different cause I'm gonna beat both of you

Erza:yes I can tell that you improved as to whether or not you can beat me or Lincoln I suppose we'll have to see I... accept your challenge

Lincoln:hehe your in a surprise natsu because last time I kicked your ass so I also acept your challenge

Natsu:OH I'M FIRED UP

A few hours later

the wizards were on the train Lincoln was sitting with Lucy while erza was with gray and happy and natsu was on well on the floor

Gray:I swear your pathetic natsu one minute your picking a fight and then you are like this

Lucy:its gotta be tough on him by getting place to place

Erza:don't worry he'll be fine come natsu now come here natsu

Natsu:a..aye

Natsu tried to get up and sat on the middle and erza hits him in The gut knocking him down

Erza:there this should make the trip a little easier on him

Gray:erza I think it's about time you start filling us in

Lincoln:yeah tell us what kind of mission were going

Erza:of course I have reasoned to believe the dark guild eisenwald is

planning something big I'm not sure what exactly but it has something to do with a magic item called lullaby

Lincoln:lullaby

Lucy:wait that thing from before

Meanwhile

The dark guild Eisenwald

Eisenwald member 1:I heard kageyama got back to us

Eisenwald member 2:yeah he said he actually found it

???:the moment of truth has arrived gentlemen this means were one step closer achieving our goal

???:the guild masters will be too busy holding a conference they won't even realize what's hit them

Time skip

Erza:I see so you run into eisenwald before

Gray:well I'm not positive they're part of eisenwald but they did mention lullaby

Erza:it's sounds like they were members who dropped out and gone into hiding perhaps they wanted no part of whatever it is coming

Gray:so this thing is so bad it even scares dark wizards

Lincoln:well it has a funny name for an item that's sounds dangerous

Erza:I'm only hypothesizing but whoever you saw dragging off happy's kidnappers that day must've been from eisenwald

Erza:it's obvious that they don't want their plans getting out

Lucy:what do you think they are going to try

Erza:let me start from the beginning just the other day i was heading home after completing a job

Flashback
Erza's POV

I stopped by a restaurant in onibus
That I knew that is a gathering spot for the locals wizards

Random guy 1:C'MON HURRY IT UP
BARTENDER

???:hey relax a little

Random guy 1:then how am I supposed to do that we finally managed to figure out where lullaby is hidden but we can't do anything because some seal

Random guy 3:keep it down man

???:don't sweat it you guys let me handle this one you just get back to the guild alright

Random guy 3:you sure kage

Random guy 4:are you going be fine on your own

Kage:you don't have to worry about me just tell erigor that I'll be coming back with lullaby in 3 days

End of flashback

Lucy:lullaby it's like a song used to put kids to sleep

Erza:yes and the fact that it's been sealed away means it must be powerful Magic

Lincoln:and like I said it has a dumb name for a dangerous item

Gray:I could agree with you Lincoln but erza are you sure those guys are with eisenwald

Erza:yes I can't believe I was such a fool that day I didn't recognize

his name

Lincoln:is it someone named erigor by any chance

Erza:yes erigor ace of eisenwald he only accepts assassination requests which is why he earned the name erigor the reaper

Lucy:he kills for money

Erza:when the magic council outlawed assassination requests eisenwald decided thst money is more important than the council's rules

Erza:as a result they were kicked out of their wizard league years ago but that didn't stopped them they disobeyed every order and remain active this day

Lucy:ok I should be heading back home now

Happy:Lucy's slimy all of the sudden

Lucy:it's sweat

Then erza hits natsu on the head in frustration

Erza:how could I been so careless if only I'd recognize erigors name that day I could've pulverized them I also could've forced them to reveal their scheme

Lucy:*she's scary*

Gray:so if I got this right eisenwald are planning something to do with lullaby and you want us to stop them

Lincoln:so we're are stopping them from doing something way but way too dangerous correct

Erza:that's correct and I'm not foolish that I believe I can take on an entire magical guild all by myself

Lincoln:so that's why you need our help

Erza:yes and we are storming the eisenwald guild

Gray:sounds like fun to me

Happy:aye

Lucy:I should've come along

Happy ewww now your super slimy

Lucy:I TOLD YOU IT'S SWEAT

After the train stopped the fairy tail mages bought themselves some food while Lincoln had his peanut butter and jelly sandwich and happy eating his fish

Lucy:if you don't mind what kind of magic do you practice erza

Erza:that's a good question

Happy:erza's magic is really pretty she makes her enemies bleed a lot

Lucy:I don't know if I can call that pretty

Erza:personally gray's magic is much beautiful than mine

Gray:oh like this

Gray puts his right hand on the palm of his left hand and made an ice sculpture of fairy tail symbol

Gray:I use ice magic

Lucy:now I understand why you and natsu don't get along he's fire and your ice

Erza:I'd never thought about that

Lucy:and Lincoln

Lincoln:what is it lucy

Lucy:what kind of magic do you use I've seen you turn your arm into a dragon's arm

Lincoln:I have learned magic when I was 11 mira taught me take over and transformation but erza here taught me requip magic

Lucy:really

Erza:thats true when he was a kid he was a fast learner for his age he even accidentally skipped 4 years and became 16 during a mission

Lincoln:I was caught off guard

Gray:that's true and he even became the strongest mage so fast you lucky son of a bitch

Lucy:and Lincoln mira told me that you were abused about something that doesn't exist can you tell me what it was...please

Lincoln stayed quiet for a moment but he sighed and a orange magic circle was on his hand as a tissue box appeared and gave it to her

Lucy:what are these for

Lincoln:are you sure you want to hear it(sad Expression)

Lucy:w..well I'm just curious that's all

Lincoln:when I was 11 I lived with my 10 sisters and 2 parents I was the only boy in the family surrounded by girls

Lucy:W..WHAT 10 S..SISTERS THAT'S CRAZY

Lincoln:(chuckles)well let's just say my parents went overboard but that is not the problem ever since I was kid my fifth sister lynn she threatened me to come to an event of hers so I went there and when her team lost I've tried to cheer her up but she blamed me with this lie

Lucy:WHAT she threatened you how could she

Lincoln:she's always prideful but she never learned that winning doesn't make you a champion but a jerk

Lucy:what was the thing she blamed you about

Lincoln:she blamed me for being bad luck she wanted me to come by being threatened but the reason I didn't want go was because I wanted time for myself that's why I've gone to every of my other sisters events

Lucy:what are their names Lincoln

Lincoln:in order there is lori leni luna luan lynn me lucy lana lola lisa and finally lily

Lucy:one of your sisters have the same name as me

Lincoln:yes but she is different than you but she's a goth

Lucy:.....

Lincoln:everytime I go my sisters events I can't have time for myself but they won't let me so I went my sisters baseball game she lost and blames me for being bad luck so I decided to use that lie to get so I can't go to their events it worked at first but the second time it was still working and they believed it and then it got worse

Lucy:.....

Gray:.....

Erza:.....

Happy:.....

Lincoln:they locked my door and I had to sleep outside even I tried begging them to let me back in they just kept me outside of the house in the heat but I had the idea to dress up as a squirrel so I can prove them that I'm not bad luck

Lucy:t..then what happened after that

Lincoln:they thought that the suit brought them good luck so they made me to use it everyday without removing it but when everything goes wrong they get angry and started beating me and

say bad stuff like a broken condom and all that

Lucy:t..that's terrible

Lincoln:my father was the only one who didn't believe that lie so he had no choice but to follow along but in secret he puts bandages on me and cleans the blood off of me.....

Lucy started to tear up and she was using the tissue box that he gave her but erza and gray clenched their fists

Gray:just thinking about them makes me sick(angry)

Erza:if someday if I see any of them I'll teach them a lesson they'll never forget

Lucy was hugging Lincoln as she was starting to cry

Lucy:I..I'm sorry I..didn't know

Lincoln:it's ok now that I found my new family I still moving on

When Lincoln told his story to Lucy she tfelt bad for him but she was glad that mira took him as her little brother now the group of wizards arrived to onibas train station and left the train

Gray:you think the eisenwald guys are still gonna be in this town

Erza:I have no idea that's why we're here to find out

Lincoln:so we're going to find any clue were they are

Erza:yes

Lucy:I'm still thinking maybe I should gome home

The wizards were walking for a bit but happy just realized something

Happy: hold on where's natsu

Then they realized that they accidentally left natsu on the train

Happy:uh oh there he goes

Erza:I was so busy talking I forgot about Him I'm such a fool natsu hates all kinds of transportation..this is all my fault I need someone to hit me for once

Lucy:that's a little much

Lincoln:all right guys step aside

Lucy:what are you planning Lincoln

Lincoln:you'll see

Lincoln walked in thr front of his friends an orange magic circle appeared on his right side and a vehicle that is different and more modernized came out

Erza and gray smirked because they saw it before and lucy was amazed

Lucy:wow...kind of vehicle is that its..it's more modernized

Lincoln just smirked and looked at her and made her nervous

Lucy:*I don't like his smirk it's getting me scared*

With natsu

Natsu was sitting in the seat trying to hold his motion sickness but then someone came

???:well lookie here it's a fairy tail wizard how's the guild treating you these days is it worth sticking around

Natsu:w..what

Then the guy kicks natsu in the face when he was going to talk

???:don't act all high and mighty just cause your in a legal guild mr fairy

???:you guys are just blindly follow the magic council knowing that you are just harmless flies hehehe

then natsu uses his magic on both hands when he got angry

???:oh looks like I struck a nerve

Natsu:why you--

Natsu was trying not to puke when his fire turned off when he was to attack the man

???:ha what kind of magic is that let me shoe how it's done

Then a dark purple magic council appeared under him and a

shadow comes out and hits natsu on the face

???:it's that all you got pathetic

Natsu:that magic

???:hehehe

Then suddenly the train began to stop and made both wizards to fall and a wooden flute with a skull with three eyes fell

With the others

Guard:what do you think you're doing lady you can't pull the emergency lever without permission

Erza:it's for a comrade please understand

Guard:are you kidding me

Erza:now I would like you to take our luggage to the hotel

Guard:so I look like a room service worker

Lucy:I'm starting to realize that all of the wizards in the fairy tail guild are a little insane

Gray:your not all of us

Lucy:WEAR YOUR CLOTHES

Lincoln:uh Luce

Lucy:WHAT

Lincoln:c'mon hop in before I leave you

Back to natsu

When the train stopped natsu and the other guy were were trying ton get up from the floor

Natsu:the train stopped

And when he was getting up he saw the wooden flute on the floor

Natsu:what's is that

???:tch you saw that

Natsu:that enough outta you...It's payback time

He covered his hand and hits him with his fist

Natsu:RAHHHH

When natsu was going to hit him the man blocked tried to block it but hits him instead and half of the train exploded when natsu punched him

???:hmph...lucky shot

Natsu:little fly huh

When natsu turned off his flame the speakers inside the train turned on

Speaker:*attention all passengers our emergency stop was a false alarm we'll be departing again shortly*

Natsu:all crap I gotta go

Natsu started to grab his luggage while the man was getting up

???:hold it right there I'm not letting you get away that easily you're messing with eisenwald now

Natsu:oh so you're with eisenwald huh I'll show you what happens to people who mocks fairy tail

Natsu:how about we take this outside

Back With the others

Erza was driving a magical mobile with full speed and lincoln was driving his car with lucy and happy while gray was with erza

Lucy:NATSUUUU

Natsu was thrown out by the guy from eisenwald and he flew towards gray and bumped into each other and both erza and Lincoln stopped

Erza:natsu are you alright

Lincoln walked up to natsu and check on him if he was ok

Natsu:a..aye

Lincoln:yeah he's fine

When both wizards got up from the floor gray started to argue with natsu

Gray:THAT HURT YOU IDIOT

Natsu:SHUT UP YOU ICY FREAK HOW COME YOU GUYS LEFT ME ON THE TRAIN

Erza:I'm just thankful that you're alright I apologize natsu

Erza grabs natsu's head and slams him into her chest plate

Natsu:I..It's ok

Natsu:while I was shaking up pretty bad I got attacked by a weirdo on the train

Lucy:are you serious

Lincoln:*i have a feeling that something is going to happen*

Natsu:I think it's the dude that dragged away that were gonna eat happy said he was with eisenwald

Then erza got mad and slaps natsu in the face and he fells on the ground

Erza:YOU FOOL that is exactly we we're chasing after on this mission WHY DID YOU LET HIM GET AWAY

Natsu:what the this is the first time I heard about it

Erza:I explained everything on the train you should listen when people are talking to you

lucy:she already forgot that she knocked him out didn't she this woman is unbelievable

Gray:yep

Happy:that's erza for ya

For a few hours erza got to the magic mobile and started putting the bracelet to use her magic to start the car

Erza:so he was on the same train we we're on let's find him

Gray:so what was the guy like

Natsu:he didn't look like someone from a dark guild but he did had a strange flute thing it looked like a skull except it had three eyes

Lucy:a three eyed skull

Gray:that's creepy

Happy:is it something wrong lucy

Lucy:it's just...I've heard of it before lullaby the cursed song it's death magic

Natsu:what

Gray:a cursed song like an incantation

Lucy:I only read about it in books but...there is some deadly spells out there that they are forbidden to be used by wizards

Lincoln:and some spells can be deadly and dangerous

Erza:that's right they're cursed black magic spells that will kill the person it's used on

Lucy:well if I'm right lullaby is even worse

Somewhere else

The people who were in kungi station screamed in fear as they saw a guard fell on the floor in front of a man with a sythe

???:this train belongs to eisenwald now

The eisenwald wizards were getting anything off the train like luggage and people who were hiding

???:get anything off the train luggage the conductor all of it and if anyone dares to deify us kill them all

Then the guy who threw natsu of the train came to to walk with the leader

???:well look who's here

???: kageyama I heard you were coming back a boarding this train there's quite a bit of reckage care to explain what happened

Kageyama:c'mon are you interested to see what I brought back with me

Kageyama then grabs the flute from his jacket and shows it to the leader

Kageyama:hehe I managed to break the seal

???:excellent

Eisenwald member:oh yeah

Eisenwald member 2:is that it

???:yes this is it men the forbidden lullaby

???:originally it was a tool for casting simple death curses useful but limited thst is until the great dark wizard zeref transformed it into a demon flute now it's song will kill hundreds thousands at once putting them into an endless sleep

???:and it's all mine hehehe

https://www.youtube.com/watch?v=63EWW0WBVGk

As the group of 6 wizards were on a hurry erza was going faster with the magic mobile and lincoln was driving his car with Lucy while gray was on top of the magic mobile trying to hold on and natsu was on the seat with holding his stomach

Lincoln:tch...we better hurry or it'll be too late

Lucy:how fast does this thing can go Lincoln

Lincoln:it's faster as the naked eye let me show you

Lincoln grabs the lever that was on in the middle and he was serious

Lincoln:now lets get this baby go faster shall we

Meanwhile

In the town of clover there was a building were all the guild masters go on a conference ls are hold

???:I'm jealous macky your wizards are all full of life and their such cutie pies

This is bob master of the blue pegasus guild and just you were wondering he's a man

Bob:I hear you got a girl that gave some big shot quite a spanking

Makarov:oh you must be talking about Lucy yeah she's our newest recruit and she's got a hot body

Bob:oh so naughty

???:I won't be joking if I were you makarov

Makarov:hmmm

He turns around and sees a man wearing a hat with a spiky dog collar and he had the same collar on his neck

This wizard is goldmine he's the master of the quatro ceberus guild

Goldmine:your wizards may be spirited but you gotta admit they still go overboard sometimes

Goldmine:some of the council members are so worried that fairy tail is going to end up detroying an entire city one of these days can't say that I blame them

Makarov:ahh shut up what do I care they're just jealous that my wizards are hot

Bob:oh macky you shouldn't talk about your little wizards that way your such a scoundrel

Then a blue bird with a wizard hat came with a letter

Bird:master makarov master makarov I have a letter from miss mirajane

Makarov:ah thanks a lot

Bird:no problem

Makarov opened the letter an a light blue magic circle appeared showing a hologram of mirajane

Mira:*hi master I'm glad you made it to the conference safe and sound*

Makarov:see this honey our poster girl mirajane grab some eyes candy boys

Bob:ooh lala

Goldmine:that's mirajane haven't seen her in a while she sure has matured

Mira:*oh master your not gonna believe what happened it may be the greatest thing in history in fairy tail*

Makarov:really

Mira:*erza natsu gray and Lincoln are all teamed up together an amazing combination huh in fact I think they might be the strongest team that fairy tail has ever seen sorry to bother you but*
I just wanted to say this exciting news

Makarov:(shocked)n..not those four

Mira:*see you soon master*

then the hologram turned off leaving makarov in shock

Bob:what's wrong macky

Goldmine:I guess the council has a good reason to be worried..right

Then makarov fell on the table when he heard what mirajane said

Makarov:*I can't believe this is happening those four really could destroy an entire city...*

Makarov*:the conference ends today so I can be back at fairy tail by tomorrow at the afternoon i just hope something crazy happens between now and then oh please let nothing happen*

In kunugi station

Random person:some guy with a sythe And a bunch of his guys took over the train

Random person 2:I think I know who they are a dark guild punks who've been hanging around town a past few weeks

In the top of the hill Lincoln and his friends were listening while he was on top of his car and lucy was still in the seat

Lucy:I can understand cars and boats but why would they hijack a train

Lincoln:who knows but what I know is that there's been theft from were I'm from some bad people hijack planes boats and cars but a train who knows

Happy:it doesn't really seem like it's a very good choice for getaways since it only follows the tracks it's on

Erza:yes that's true but they are quite fast

Geay:then I guess it's up to us to figure out were they're going in such a big hurry and why

Lucy:(shouted)your naked gray

Gray:am I

Lucy:the military are already been called in action so it should be a matter of time before someone catches them

Erza:I hope that's the case lucy

Lincoln:the militia are smarter but if they know we're getting involve we might get in trouble but we have no choice but to stop eisenwald before it's too late

Then Lincoln got off his car and got in and erza has gone ahead

Time skip

In the train erigor attacked kageyama and he moved out of the way

Erigor:let me get this straight you allowed a fairy tail fly to see the lullaby and then let him get away is that true

Kageyama:but it's not like he knows anything about our plan sir even if he did there's he and his stupid guild will be able to stop us right

Erigor:we can't afford to take any chances fortunately we have a strategy in place

Kageyama:right you mean the thing in oshibana station

Erigor:we can't have flies buzzing around it will be you men to swat them away

Eisenwald:YES SIR

Back to Lincoln and the others

Lincoln was driving up ahead and erza was following him from behind and gray was on top of the magical mobile

Gray:stop erza you're going way to fast your gonna overload the SC plug

Erza:there's no telling how many innocent people could die by lullabies song being played I can't slow down we have to stop eisenwald before it's too late

Gray:but at this rate your going to use up all your magic before we start fighting

Erza:well then ill just have to rely on hand to hand combat besides I got you natsu and Lincoln my back

Lincoln was driving faster and he didn't look at lucy or happy because he has a serious face

Happy:I feel like there is something important I was supposed to tell you lucy

Lucy:oh really..well what was it

Happy:well I don't really remember it's was just something that I was suppose to tell you

Happy:um..you're ugly...YEAH THAT'S IT

Lucy:ARE YOU KIDDING ME

Lincoln:happy this is not the time for making fun her

Happy:why

Lincoln:we do not have to make fun at people right now

Lincoln was driving faster and then he saw smoke from oshibana station

Lincoln:what's going on

Lincoln stopped the car he and lucy got out if the car with happy and Lincoln puts it back to his poket dimension then erza arrived and

Lincoln:looks like this is it

He then walked into the crowd and saw a gaurd with a megaphone

Guard:please stand back the station is currently closed due to the train derailment

Lincoln walked in front of a the man and began to question him

Lincoln:excuse me what's going on

Guard:sir please back up it's not safe in there

Lincoln:oh really....erza

Erza walked up behind the guard and she headbutted him and erza started to yell at the worker

Lucy:seems like Lincoln's and erza's questioning are a little counter productive

Gray:they have their own way by getting anything done

Lucy:wear your clothes

Erza:the eisenwald guild is inside lets go

Lucy:so I'm going to drag this one around

Natsu:s..sorry

Lincoln:we better get inside the building or it will be too late

Erza:all right lets go

Soon they ran into the building but when Lincoln stopped in front of the entrance until lucy saw him

Lucy:Lincoln is there something wrong

Lincoln:no...it's nothing keep going I'll catch with you

Lucy:right

Lucy ran while she was carrying natsu but Lincoln turns around and see outside but he shakes his head and then focused on the mission

Lincoln:what's this magic energy I'd just felt.....probably nothing

He started running to catch up with the others but he didn't know that someone was watching from afar the figure was looking at Lincoln while gave a small laugh then disappeared

chapter 11:eisenwald

[image] [image] [image] [image] [image] [image] [image]

https://www.youtube.com/watch?v=63EWW0WBVGk

The fairy tail wizards got inside into the building and they were running to find the dark guild but Lincoln was wondering what he felt but he shakes his head and lucy feels concerned about him

The young wizards were running into the hallway and they stopped when they saw rune knights on the ground

Happy:they've been completely wiped out

Lincoln:tch it must be eisenwald

Erza:they were up against an entir guild of wizards

Lincoln:even though they've tried fighting an entire army of dark wizards they'd died trying

When the fairy tail wizards got up the stairs they heard a laugh

???:welcome welcome to our humble web fairy flies

Every dark wizard started to laugh while Lucy was getting nervous but Lincoln was glaring at the man with silver hair

Erza:I take that your erigor

Erigor:hehehe

Lucy put natsu on the ground and she shakes him

Lucy:c'mon natsu get up we need your help

Happy:good luck between a train and a magic mobile and your making it worse

Lucy:I'M NOT A VEHICLE

Then a man with a ponytail recognized natsu and spoke

Kageyama:hey you its its your fault that I got in trouble with erigor

Lincoln:so you're the one who was in the train

Natsu:I..I know that voice

Erza:were not threatened by any of you tell me what your with lullaby

Erigor:oh you haven't heard yet hehehe

He was on the second floor and he started to float into the air

Lucy:he flew

Happy:it's wind magic

Then he landed on an intercom system

Erigor:what do all train stations have

Erza:you plan on broadcasting the lullaby song

Erigor:hahaha thousands of nosey onlookers have flock to this station to get a glimpse of the action who knows if I raise the volume enough I may be able to extinguish the entire city with my melody of death

Erza:what reason do you have to commit such a horrendous crime against the innocent people of this town

Erigor:this is a cleansing of all the fools out there who fail to appreciate the rights they hold so dear who remain willfully ignorant of those who have had their rights stripped away they've committed the sin of turning a blind eye to the worlds injustice therefore the reaper has come to punish them

Lincoln:so your going to kill innocent people just to get your rights back you'll make a huge mistake when you do that

Lucy:he's right killing them won't help getting your rights back that's the whole reason you were kicked out of the wizard league in the first place

Erigor:at this point we've given up trying to regain our rights we want power then will be able to wash away the sins of the past and take control of what happens in the future

Lucy:you guys are completely insane

Kageyama:we're rolling in a new age of darkness course by the time it gets here you flies will be long gone

The black ponytail uses his magic ti send 3 shadows forming them into hands but then natsu regains consciousness and blocked kageyama's attack

Kageyama:you again

Natsu:eisenwald dude I knew I recognized that voice

Lucy:you're back to normal

Natsu:oh wow looks like we've got ourselves a party here

Lucy:NO natsu these are the guys we have to fight

Natsu:heh like I said it's a party

Lincoln:then let's get this over with shall we

Lincoln cracks his knuckles and had a smile on his face

Lucy:this is the strongest team fairy tail has to offer you better be ready

Erigor flew off from the intercom system and and shouts

Erigor:I'll leave them to you show them the terror of the dark guild eisenwald

With a blink of an eye erigor disappeared and lucy was shocked

Lucy:HE DISAPPEARED

Erza:natsu gray I need both of you to stop him if both of you work together not even erigor the reaper can defeat you I'm leaving him in your hands

They both argued but erza glared at them and yelled

Erza:WHAT DID IT JUST TOLD YOU

both:AYE MA'AM

Both Ice and fire wizards ran away to chase erigor but the other fairy tail wizards were ready

Erza:we'll catch up to them once we finish off the rest of the men here ok

Lincoln:what do you think we show them who are they messing with

Erza:I like the sound of that

2 eisenwald wizards ran up to go after natsu and gray but the rest of the eisenwald wizards were ran up to attack

When the eisenwald wizards ran up to attack Lincoln's right hand started to glow purple and made a barrier while erza went to the right side to fight the other wizards

Eisenwald wizard 1:what the hell who is he

Eisenwald wizard 2:I-I recognize him he's fairy tails white rabbit

Eisenwald wizard 3:not to mention he's also known as the man with the plan

Lincoln:heh I'm surprised that one of you knows about me

Eisenwald wizard 4:w-were not afraid from a white haired person who looks completely like a bunny

Lincoln:well here's the rules you have 1 second to destroy this

barrier if you ran out of time I will fight

Eisenwald wizard 2:tch he's testing us

The eisenwald wizards ran to the barrier and tried to attack but it didn't work each and every dark wizard tried to destroy it but no luck

Lincoln:times up

Eisenwald wizard 2:oh no

Lincoln lowered the barrier and got into fight position then he moved fast and appeared in front of an eisenwald wizard and kicked him in the gut after that he started beating every single wizard around him while lucy was looking at both Lincoln and erza in amazement

Lucy:wow erza and Lincoln are incredible

Happy:aye that's why they're the greatest wizards in fairy tail

Lucy:well then time to shine

She grabs a golden key with the 4th symbol of the zodiac from her bag and yelled

Lucy:OPEN GATE OF THE GIANT CRAB
CANCER

When she yelled cancer the a spirit of a man with crab legs on his back also he had two scissors that looked like the claws of a crab

Cancer:you need me to fight these dudes baby

Lucy:yeah I need you to take them out with style

Then some eisenwald wizards tried to attack lucy buy only to get their hair and weapons cut by cancer

Eisenwald wizard 4:what happened to my hair

Lucy:they're--

Eisenwald wizards:WERE ALL BALD

Cancer:there baby

Erza:that was impressive

Lucy:oh thanks but it was no big deal

Lincoln:*ok...cancer is fine by me but when I first saw Taurus....what the fuck*

Erza:however that crab spirit of yours the way he calls you baby..I rather find it insulting

Lucy:aww man

Cancer:thats cold...baby

For a few hours the fairy tail wizards were struggling while fighting but erza and Lincoln were side by side

Erza:theres too may we'd took care most of them and it's annoying

Lincoln:yeah how bout we whipe them out

Erza:very well

A red magic circle appeared under erza and she started to glow as her armor began to change while some dark wizards had hearts on their eyes

Eisenwald wizard 2:wow her armor is disappearing

When the light died down it showed erzs with her heavens wheel armor

Lincoln:huh never thought you'd use that armor well tgen let me show you mine

https://www.youtube.com/watch?v=GXi16vg9J4Y

(A/n:this ost will be for the background**)**

The same orange magic circle appeared under him and a bright light covered the white haired teen then the light died down and showed Lincoln wearing an armor almost simular to erza's

Lincoln:all right lets do this

Erza floating in the air and she made a circle of swords

Erza:NOW DANCE MY BLADES

Then She wiped out every wizard with one swipe and Lucy was amazed

Lucy:wow she beat them with one swipe

Erza:it's your turn Lincoln

Lincoln:all right

He walked in front of them and Lincoln raised his sword in front of him and hold it with both hands

Lincoln:from the darkness comes light and the light destroys and cuts through evil..TAKE THIS ODIN NO KEN(the sword of odin)

Then Lincoln swung the sword and a flash of light and the sound of shattering glass and an impact of wind made everyone in eisenwald flying towards the wall while others tried to hold on

Lucy:that was incredible

Happy:aye

Then another random eisenwald wizard came to

Eisenwald wizard 5:alright I have enough of this shit

???:don't do it do you have any idea whose that woman with the white rabbit

The dark wizard got kicked and punched by both fairy tail wizards and he fell to the ground then both Lincoln and erza got back into their clothes/armor

???:she's the queen of the fairies titania erza and along side with the white rabbit the both are the knights of heaven

Lucy:wow I think I'm in love

???:FORGET THIS I'M GETTING THE FUCK OUT OF HERE

The only one eisenwald member left ran away and went to go find the mater of the eisenwald guild

Erza:my guess he's going to look for erigor you should follow him

Lucy:who me

Erza:just do it!

Lucy:SURE THING MA'AM

Lucy ran over there to go find the guy then erza fell into the floor woth one knee and breathed harder

Erza:gray was right I over used my magic on the magic-mobile

Lincoln:give me your hand I'll help you get up

Erza gives Lincoln her hand and Lincoln got her up but when erza was trying to get up Lincoln grabs her and he puts her arm around his neck

Erza:thanks Lincoln but I need you to take me to the balcony so I can warn the people outside

Lincoln:no problem c'mon lets go

Time skip

Lincoln took erza on a balcony that showed the whole city and erza grabbed a megaphone and walked slowly to the edge so that the citizens noticed her

Erza:if you value your lives then you will leave this place at once this station's has been taken over by evil wizards they are threatening to broadcast a deadly spell over the loud speakers that

will kill everyone here I beg you run as far as you can

everyone started to panic and started to run away

Worker:hey lady why would you make everyone panic like that

Erza:I would rather that than watch innocent people die in fact you gentlemen need to evacuate as well

Lincoln:ok we've managed to tell everyone in the city about the situation and now what

Erza:we should find erigor and find out his next move

When they turned around they saw a tornado surrounding the building

Lincoln:what the hell

Erza:it's some kind of wind barrier

Then Lincoln looked behind and saw erigor above him

Erigor:I've always wanted the opportunity to fight the white rabbit and the queen of the fairies and have fun but unfortunately I don't have time to play with both of you right now

Erigor raised his hand and he had a purple orb and he tried to attack Lincoln and erza rushed at the barrier but she ended up hurt

Erigor:it's useless there is no way you'll ever be able to break through my magic seal you see it's 1 way only if you try to escape the wind will tear you apart

Erza:what is the meaning of this you scoundrel

Then erigor disappeared and erza gets frustrated

erza:COME BACK HERE DAMN YOU ERIGOR I WILL FIND A WAY TO STOP YOU

Lincoln:tch

Erza:so he wasn't targeting the station after all what is he planning

Lincoln:don't know but we should reunite with the others and figure out a way to break this god damn barrier

Erza:your right lets go

chapter 12:capture kageyama

[image] [image] [image] [image]

When the fairy tail wizards split up to look for erigor they ended up trapped inside the building by erigor's wind barrier and they are now looking for a out

Before Lincoln and erza went to find the others they tied up the everyone from eisenwald but erza came up to one of the dark wizards

Byard:forget about it lady you can't break through the barrier even non of us can't undo it

Lincoln:tch...

Then gray appears on the second floor and called them

Gray:ERZA LINCOLN

Erza:gray wasn't natsu with you

Gray:we split up but never mind that for now eisenwald's real target is the town up ahead

Erza:WHAT

Lincoln:HOLD ON DON'T YOU MEAN

gray:..yes gramps and the others conference they plan to use lullaby there

Erza was surrounded by a dark pink aura and she glares at the dark wizard

Erza:is..that..so

Byard:AHHHH

Lincoln then knocked out the dark mage and lays him carefully on the ground

Erza:this station is surrounded by a wind barrier though

Gray:yeah I saw it

Lincoln:if that's the case then we should hurry and find a way out

Gray:try to break out and it'll turn you into mincemeat

Erza:I've already tried

Gray then noticed erza holding her right arm

Gray:your arm

Erz:no need to worry I'm alright but erigor is going over there where the guild masters are

Lincoln:yeah and the reason erigor made a wind barrier is because he wants us to be trapped so we can't go after him

Erza:he's right..come to think of it there was someone in eisenwald named kage

Erza:he managed to break the lullabys seal all by himself

Gray:so he can cancel magic..a seal breaking wizard that could remove that could remove that barrier

Erza:lets find kage and catch him

Gray:right

Lincoln:no problem

When the three mages left the area and the black wizard that was laying on the ground wakes up after Lincoln knocked him out

Byard:karacka...how long are you going to hide there

Then a yellow magic circle appears on the wall and a fat guy with green hair came out

Karacka:s-sorry..

Byard:they're going after kage go

Karacka:I-I'm sorry I can't back him up

Byard:no...this'll be a simple job

Karacka:.....

Meanwhile

Lucy was walking in a hall with happy looking someone

Lucy:--we completely lost him

Happy:aye

Lucy:what do you say we head back with erza and Lincoln for now

Then happy gor shocked/scared when she mentioned erza

Lucy:what's with that reaction

Happy:e-erza said to go after him you gotta be really gutsy to ignore and order from her...

Happy:i don't want to see her do it to you too...

Lucy:wh-what is she going to do with me

Lucy:a-all right we'll look...we'll look until we find him

Happy:your mood sure changes easily lucy

Lucy:urgh shut up why are you getting so attached to me anyway cat

Meanwhile

Then there where explosions around thr station and the one snd only who was causing them was natsu dragneel

Natsu:ERIGOR WHERE ARE YOU

Natsu was destroying the hallway trying to look for erigor but there was a shadow behind him

Kageyama:geez has he ever heard of a door before

Then natsu stopped and he started to breathe slowly

Natsu:where is he

Kageyama:now that erigor made it out safely this kid doesn't seem much of a threat but that wouldn't...SATISFY ME AT ALL

Kageyama then kicks natsu and send him flying towards the wall

Kageyama:hehehe

Natsu then came out of the wall bur his head was on a portrait

Natsu:ITS YOU AGAIN

kageyama:I've pretty much figured out your magic..you take in fire and it adds to your destructive strength Its an unusual power

Natsu got mad and he broke the portrait that was around his neck

Natsu:gaaahh i really want to punch you out right now but I can't I really want to but you're a waste of time right now WHERE'S ERIGOR

kageyama:well that is a good question

Kage puts his right arm and uses his magic to make a shadow hand

Kageyama:if you can beat me I'll tell you what you want and want to know

Natsu then jumped to dodge the shadowed hand that kage used from his magic

Natsu:i can beat you to a pulp and you'll tell me two birds with one stone I'M ALL FIRED UP

kageyama:tch..your quick

Then kage puts his left arm made 7 shadow snakes

Kageyama:BUT CAN YOU DODEGE OROCHI SHADOW

Natsu just stood there and waited for the shadow snakes to get closer

Kageyama:YOU CAN RUN BUT IT'LL CHASE YOU WHEREVER YOU GO

When shadow snakes were getting closer natsu lit up his right hand with fire and attacked one of the shadows one by one shocking kageyama

Kage:th-thats impossible he destroyed them all

Natsu smirked at kage and he punched him in The face

Kageyama:wh-what the...only punch...that isn't the punch of a wizard

Afte natsu hits kage and before the shadow mage hit the ground natsu started to inhale and blast kage with his attack

With Lucy

Lucy and happy were still looking for karacka but they heard the explosion that the pink haired caused

Lucy:an explosion...

With Lincoln

gray was taking both erza and Lincoln
Towards the hallway which natsu took when he split up

Erza:it's close LETS GO

Gray:that's natsu no doubt about it

Lincoln:yeah natsu makes explosions every time when he's in battle but I guess he found kage

When natsu beated kage was smiling as smoke came out of his mouth

Natsu:HAHAHA I WIN SEE I TOLD YA DIDN'T I

kageyama:um...

Kageyama:heh heh heh...you moron erigor isn't anywhere in this station...

Natsu:huh

Then some footsteps were heard and natsu turned around to see his friends

Erza:natsu don't do anything else to him we need him

Natsu:HUH what WHAT

gray:nicely done flame brain

Lincoln:good thing you found him..or he found you

Natsu:what are you three talking about a guy like this is nothing

Erza:leave this to me

Erza requiped her sword and puts the pointy part yo kageyamas cheek

Erza:you will dispel the wind barrier and you will do ao without uttering a word of disagreement

Erza:with your first negative comment I carve my first dlive

Lincoln:If you don't talk I'll show you something that will scare you in your dreams forever

Lincoln's left eyes glowed ruby red and kageyama couldn't help but get scared when the white haired teen glares at him

Kageyama:..urk

Natsu:hey man just tell them what they say they're both dangerous.

Gray:SHUT THE FUCK UP NATSU

Erza clenched her hand that was holding kage's shirt

Erza:do you understand

Kageyama:I...I understand

But then a hand came out of nowhere going straight through kageyama shocking erza

Erza:KAGE

The one who tried to kill him was
Karacka one of eisenwald's dark mages
He was remembering what the other dark wizard told him that his job was was easy he just need to kill...kageyama

Erza:KAAGEE

kageyama was on the floor unconscious and the fairy tail wizards were shocked

Gray:damn he was our one way out...DAAAMN IT

Now that fairy tail wizards found kageyama from eisenwald to make him dispel the wind barrier that erigor used to trap the fairy wizards but when kage was going to tell them he gor badly injured when one of his partners tried to kill him

Erza:KAGE HANG IN THERE

gray:HEY

Erza was shaking him but kage was unconscious but he can still breathe

Gray:damn it

karacka:ah...uh..Aah

Natsu:wasn't he...one of you...

Karacka shrieks in fear and tried to escape

natsu:HE WAS IN YOUR GUILD YOUR FRIEND SO WHY WOULD YOU KILL HIM

Erza:YOU'RE THE ONLY ONE WHO CAN DISPEL THE WIND BARRIER YOU CAN'T DIE

natsu lit up his right hand with fire
And launched himself to the fat guy and punched the man and made a hole on the wall

Erza:KAGE you must hold on

Gray:erza it's no good he isn't conscious

Erza:we mustn't let him die he has to dispel the barrier

Gray:DISPEL THE BARRIER HE CAN'T EVEN USE MAGIC IN THIS CONDITION

erza:HE MUST IT'S THE ONLY WAY

Later both lucy and happy arrived with the others and saw what going on

Lucy:w-whats going on

Outside the station

Outside from oshibana station erigor the reaper was walking on the train tracks all the way to clover

Erigor:the town of clover where the guild masters gather...is close I've even regained most of the power i lost when I made the wind barrier

Erigor:maybe I'll fly

Erigor then uses his magic to start floating so that he will go to clover faster

Erigor:those old cretins who stole our work...our rights just you wait I'll kill you all using lullaby

He flew over the train tracks and went straight to clover

Erigor:THE REAPER WILL DECREASE PUNISHMENT heheHAHAHAHAHA

Back at the station

The wizards of fairy tail were in front of the barrier trying to find a solution to get out

Natsu:so erigor is targeting the guild masters at clover

Gray:yeah...but if we don't do something about this wind barrier we'll never leave this station

Lincoln:still kageyama is the only one who can cancel the spell he can't use it right now

Natsu looked at the barrier and ran the it and the barrier pushed him back

Gray:see

Lucy:oh dear

Erza was still trying to wake up kageyama even if he's still unconscious

Erza:kage...please we need your magic

Natsu:DAMMIT

natsu used his fire magic on his right arm and tried to hit the barrier and the pink haired teen gets hurt again

Lucy:NATSU

Gray:your an idiot flame brain force won't do anything to break it

Lucy:but we've got to act fast can't your magic freeze it or something

Gray:if it could I'd have done it already

Lincoln:tch...even my magic can't

Lucy:which one Lincoln

Lincoln:with my transformation magic I can transform into a black dragon and a white wolf

Lucy:so which transformation has the ability to use wind

Lincoln:my dragon form can but It won't do any damage to the barrier..damn it

For a minute they heard natsu growing in anger as he was still trying to break through the barrier

Lucy:NATSU stop that your just going to tear yourself into pieces

Natsu didn't listen to her and he still trying to break the barrier

Natsu:kh

Lucy grabs natsu behind and she tries to pull him back

Lucy:I SAID STOP

erza:DAMMNIT what should we do now

The pink haired wizard then looks at the blonde girl

Lucy:what

Natsu puts his hand on Lucy's shoulders and shakes her

Natsu:THAT'S RIGHT YOUR CELESTIAL SPIRITS

Lucy:eh

Natsu:I was able to go from one place to another through the celestial world right

Lucy:yeah but...normal humans will die if they go through in there they can't breathe

Lucy:besides the gate only opens in the place were the celestial wizard is..in other words if you want to get out of here through the celestial spirit world...At the very least you will need a celestial wizard outside the station for it to even be possible

Natsu:cut the explanations and do it

Lucy:I'm explaining that it can't be done..one more thing humans passing through the celestial world is a bad breach of contract back then it was everlue's key so we were lucky

Happy:*everlue's...key*

Happy:LUCY I just remembered

Lucy:wh-what about when you were calling me weird

Happy:no...THIS

happy shows a golden key with the 6th zodiac constellation

Lucy:isn't that...the key to virgo

Lincoln:you mean virgo the 6th constellation of the zodiac

Happy:aye she can dig holes underground

Lucy:you shouldn't have that it's wrong to just grab it and...

Happy:no virgo wanted me to give it to you

Lucy:WHAAT

Erza:what are you talking about

Gray:we don't have time to waste about stupid things like that

Natsu:virgo...you mean that big gorilla maid with steroids

Happy:she said that the contract was broken when everlue was arrested and she said that this time she wanted to create a contract with you Lucy

Lucy:that thing...came to me for a contract

Happy:she came to our house to ask about it

Lucy:that's really nice to hear but we shouldn't be talking about it right now we have to think of a way to get out of here

Happy:but

Lucy got irritated and pinched happy on the cheeks

Lucy:be quiet cat's should meow and not be heard

Gray:.....

Happy:It's just that..virgo was a able to dig beneath the ground..and I thought that she'd be able to help get up out under the wind barrier

What happy said made the erza gray and Lincoln surprised

Erza:WHAT

gray:IS THAT TRUE

Lincoln:ARE YOU SERIOUS VIRGO CAN ACTUALLY DO THAT

Lucy:really you can be useful at times happy honesty why didn't you say that in the first place

Happy:because you were pinching me Lucy

Lucy:hand over it

Happy gave Lucy the golden key to virgo and the blonde girl started to call upon the celestial spirit

Lucy:I...one who connects the path of the celestial spirit world to our own...command you who I call to pass through your gate....OPEN GATE OF THE MAIDEN...VIRGO

when Lucy called virgo smoke came out of nowhere and when cleared up it showed a young woman with pink hair and blue eyes wearing a maid outfit

Virgo:did you call mistress

Lucy:huh

There was moment of silence but natsu walked up in front of the maid

Natsu:did you lost weight

Virgo:please forgive my prior actions

Lucy:*LOST WEIGHT SHE'S A COMPLETELY DIFFERENT PERSON*

lucy:u-um..that look of yours...

Virgo:I am the loyal servant of my master or mistress I will take the form that my master or mistress wishes and faithfully do my work

Natsu:your last master was higher placed and a more skilled wizard so...

Virgo:in that case...I'll use this form again

Virgo transformed into a big lady with muscles and scared lucy gray and Lincoln

Lucy:d-don't listen to him your skinnier form is better

Virgo just transformed to her normal form

Virgo:understood...

Lincoln was shaking like he got thr chills when he saw virgo transform

Lincoln:*I thought t-that virgo was supposed to represent an angel n-not a maid*

Lucy:we're in a big rush can the contract wait until later

Virgo:of course mistress

Lucy:I don't like being called mistress

Virgo:queen or dominatrix then

Lucy:no

Virgo:princess

Lucy:that's more like it

Gray:so now she's a princess

Natsu:just hurry it up

Virgo:very well then..

A yellow magic appeared above virgo and then she started digging

Gray:oh she went down

Erza:great thinking Lucy

Lincoln:alright lets get going before erigor reaches clover

Gray:ok let's go through that hole

Natsu:oof

Gray turned around and sees Natsu carrying kageyama on his shoulders

Gray:what are you doing natsu

Natsu:having him die after fighting me would leave a bad taste in my mouth

Kageyama:....

A few moments later

Now the wizards finally got out of the station

Gray:we're out

Erza:lets hurry

Lucy:t-this wind is too strong

Virgo:princess your underwear might show

Lucy:what about your own

Gray:oh man...

Kageyama:it's no use...there's no way you can catch up to him now...we've won

They stood still for a moment but erza noticed that Lincoln natsu weren't with them

Erza:where's natsu and Lincoln

Lucy:huh

Gray:happys gone too

With erigor

Erigor was flying over the train tracks and he was closer to closer

Erigor:there's the town....hold on you old farts

Then erigor heard a noise and turns around to see happy carrying natsu and Lincoln with black dragon wings

Natsu:THIS IS HAPPY AT MAX SPEED

Natsu kicks erigor in the face and made the reaper fell on the tracks and the two wizards landed safely

Lincoln:we made it just in time

Happy falls and natsu catches him

Natsu:happy

Happy:I can't fly any further...

Natsu:thanks for the help we managed to catch up to him

Erigor:y-you...

Lincoln and natsu looked at erigor

Erigor:you're those fairy tail members what are you doing here

Lincoln:isn't it obvious we're here stop you from using that flute

Natsu:yeah we are here to beat the crap out of you breezy bastard

With erza

Erza was driving the magic mobile over the train tracks with speed

Kageyama:why..why are you taking me with you

Lucy:the town is empty now so we're taking you to a doctor in clover you could show some gratitude

Kageyama:no why are you helping me we're enemies

Lucy:....

Kageyama:now I understand I'm your hostage and you're going to make a deal with erigor..forget it he's cold hearted to the core he won't give a damn about me

Kageyama muttered and both gray and Lucy can hear him

Lucy:so gloomy...

Gray:if you wanna die we can let that happen

Lucy:hold on gray

Gray:there's more in this world than life and death

Kageyama:....

Gray:you should look for the positive side not the negative side

Kage was thinking about what he said but suddenly there was a bump that made the wizards jump and Lucy accidentally hits kage with her butt

Gray:ERZA

Erza:sorry is everything ok

Lucy:sorry

Kageyama:could your butt be any bigger

Lucy:SEXUAL HARRASSMENT GRAY KILL HIM

Gray:hey now don't make sage advice to waste...

Erza:my *vision is getting blurry..I must have used to much more magic energy than I thought...natsu Lincoln please stop erigor*

erza was still focusing on going faster even If she was using too much of her magic energy

Erza:*it's all up to both of you until we get there...*

Back with Lincoln

Natsu:bring it on I'll burn you and that wooden stick together

Erigor:both of you broke out of the magic wind barrier huh what pesky flies you are

Lincoln:heh we did get out of there and this time we're going to stop you by using lullaby at the guild masters

Erigor:hmp..well lets see about that but you are in my way begone

Erigor uses his magic by making gust of wind to push back the young wizards

Natsu:this...is nothing

Natsu jumps in the sky and he went towards erigor and Lincoln made a magic circle and a sword with golden details came out

Lincoln:REQUIP EXCALIBUR

Lincoln ran and prepared to slash at the dark wizard and erigor uses his synthe they started to clashed their weapons but Lincoln was able to push erigor

Erigor:*what the that pink haired brat uses fire magic to jump and to strike but the white haired boy managed to push me with that sword*

Erigor floats in the air

Natsu:you can't fly in the air that's not fair get down here and fight me

Lincoln:if your going to fly then I'll fight you in the air

Lincoln made a magic circle on his back and a pair of dragon wings came out so Lincoln could be on the air

Erigor:you're very insolent to face me fairy fly but I'll eliminate you along with that fire wizard

Lincoln:I would like to see you try c'mon mr reaper

Erigor gets angry and he flew and attacked with his synthe and Lincoln with excalibur they both clashed in the air faster and made air move faster

Lincoln:*I need to hurry so erza can come here quickly as possible*

erigor:heh that was quite impressive white rabbit

Lincoln:well thank you but I'm saving my magic energy for other occasions but let's finish this

Erigor:with pleasure but first....

Erigor made a magic and attacked natsu by making a tornado

Erigor:STORM BRINGER

The strom was stronger that natsu could resist cause of it's speed

Happy:natsu...

He tried to use his magic but happy couldn't use it

Happy:I-its no use...I don't have enough magic energy...

The strom was strong that made the fire dragon slayer fall from how high he got

Erigor:hehe I doubt even you your fire can bring you back up here

Lincoln:why you

Happy:NAAATSUUU

Natsu was facing backwards and he was trying to figure out something

Natsu:ah crap this isn't good what do I do...

He then gets hit in the head by boulders when he was falling down

Natsu:g-gramps...

Flashback

macao:sheesh all right--watch closely see

Macao makes purple flames on his left hand

Young Natsu:whoa cool

Macao:it's called purple flare and it can do a lot more than just burn anything

Young natsu:my fire burns everything though...

Macao:you just change the fire's properties if you ask for it from deep down the fire will respond on it's own

Macao:do that and not even water or wind can beat it

Young natsu:I don't understand at all...

End of flashback

An huge wave of fire appears and turns into a hand that shock erigor but for Lincoln he smirked

Lincoln:well looks like he's getting serious

Natsu:RAAAHHH

happy:natsu

Natsu:that was close..change the fires properties indeed...I did it macao

Erigor:wh-what was that now

Lincoln:oh you mean you don't now

Erigor:huh

Lincoln:natsu was able to change his fires properties and he is getting serious

Erigor looked at the white haired teen and shocked erigor even more when he saw lincolns excalibur sword with white flames moving around

Natsu:you must be cold naked like that want me to warm you up

Erigor:YOU'RE JUST AS UNCLOTHED AS I AM

Natsu puts his fist together

Natsu:this'll blow you away

natsu inhales and his chest got bigger

Natsu:FIRE DRAGON ROAR

Lincoln:AND I'LL BURN YOU UP WITH THIS

The white flames got bigger and Lincoln attacks with a slash and both attacks combined and went towards erigor

Erigor:STROM WALL

both attacks collided with erigors strom wall and made an explosion

Erigor:*i can't believe these people...nothing they do makes any sense...is this what fairy tail wizards are like*

Natsu:hehe

Lincoln:hows that

Erigor:it's seems I somehow underestimated both your strengths what do you say if the three of us fight for real now

Lincoln:sounds good to me what you think natsu shall we show him our potential your going first fire breath

Natsu:hell yeah now I'm fired up

Erigor:STROM MAIL...here I go

Erigor went straight towards the fire wizard and natsu hits erigor but it pushed him back

Erigor:whats the matter is thst all you got

Natsu:damn you just had to to warp yourself in something annoying..this'll tear you right off

Natsu:FIRE DRAGON IRON FIST

Natsu tried to use his magic ability to punch erigor but erigor grabbed natsus hand

Natsu:what's going on my fire went out

Erigor:just as I thought your destructive power comes from your fire alone--you have no effect on me now

Natsu:what

Erigor:the wind of my storm mail is always blowing outward understand what that means fire doesn't blow against the wind

Natsu:tch...

Erigor:FIRE CAN'T BEAT WIND

Lincoln:*I guess it's my turn now*

chapter 14:the strongest team

[image]
[image] [image] [image] [image] [image] [image] [image] [image] [image]

The two fairy tail wizards were in the train tracks fighting erigor and natsu was trying to cover himself

Happy:NATSU

Erigor:hehehe now you understand fairy tail boys fire can't beat wind

Erigor:fire can't beat wind

Natsu:tch..damn it it's almost like a hurricane...

Erigor:fire can no longer touch me

Lincoln:natsu...

Natsu looks at his friend and noticed that he clenched his teeth and heard say something

Lincoln:leave this to me this guy is pissing me off...ERIGOR I'm gonna beat you myself

Erigor:oh really and how are you going to do it

Lincoln:you'll see

Lincoln's right hand was surrounded by a white aura

Erigor:hehehe didn't you hear me fire can't touch me

Lincoln disappeared in a blink of an eye

Erigor:wha--

Then Lincoln slams in the head with both hands and made him fall

Erigor fell and lands on the train tracks and his strom mail disappeared

Erigor:*I-impossible how did he*

Happy:woah I couldn't even see Lincoln
move like that

Natsu:tch show off

Lincoln landed on the ground and he walked in front of the black mage who's struggling to get up

Erigor:how are you able to break through my storm mail you brat

Lincoln:It's because I'm the man with the plan

Erigor:tch...even so I won't let you get in my way fairy fly

Lincoln:dark wizards like you make me angry

Erigor looked at him and saw that Lincoln was glaring at him very intense

Lincoln:just know this erigor fairy tail is a guild that dosen't give up this guild has been my home...and I won't let anyone hurt my family

Erigor couldn't help up feel something he didn't expect....fear

minutes later from tying up erigor while being unconscious Lincoln was sitting on the edge of the train tracks while natsu was talking to happy then they heard a familiar voice

Lucy:NATSU LINCOLN

natsu:oh took you long enough it's already over

Happy:aye

Erza stopped the magic mobile and tried to move but lucy helped

her

Lucy:are you alright erza

Erza:don't worry about me..

Kageyama:*i-impossibl*e...*erigor never lost*

kageyama got worried but he then saw the lullaby flute near him

Gray:so both of you had trouble fighting against this guy

Natsu:TROUBLE Lincoln couldn't even let me beat him up

Lincoln:you know how mad a get when I fight a bunch of bad guys bubble gum

Natsu:oh shut up

Gray:jeez wearing a scarf while half naked...you look like pervert

Natsu:like you're one to talk--lucy gimme clothes

Lucy:WHY MINE

Lincoln:you want to wear clothes for women c'mon your embarrassing yourself natsu

Erza giggled and looked at both Lincoln and natsu

Erza:in that case well done both of you the masters are safe now

Lincoln:i guess this is it so now what

Erza:while we're here let's go to the conference to report about this incident and ask our master what to do about the flute

Happy:clover is really close and all

Then kageyama hijacked the magic mobile and takes off with the flute

Erza:KAGE

gray:WHAT DO YOU THINK YOU'RE DOING

Kageyama:THE LULLABY IS MINE YOU LET YOUR GUARD DOWN FLIES--
HEHAHAHAHA

kageyama drove off to clover and left the fairy wizards in shock

Natsu:THAT JERK

lucy:WE SAVED HIM TOO

Erza:lets go after him

Time skip

When nightfall came kageyama arrived at the conference

Kageyama:all right they'll definitely hear the lullaby from this distance...at last the time has finally come

He then heard a creepy laugh and looked to see where ot came from

Makarov:these girls are all so lovely wizards these days are so high level on the inside and out

Makarov:their glamour shots are the best

Makarov then gets up from a rock to stand up

Makarov:no no no this no time for this
I need to hurry and catch up to those fools before they destroy an entire town...EEP

the old man turned around he gets scared when he saw kageyama behind him

Makarov:no it's not what you think this is for research--I've done nothing to be ashamed of

Kageyama:no you don't need to make excuses...

Makarov:huh you're injured what are you wandering out here for

Kageyama:oh uh I'm uhh...*hold on he's master makarov from fairy tail I keep running across these flies*

master makarov was about to leave but kage decided to speak to him

Kageyama:excuse me

Makarov:hmm

Kageyama:you don't mind to hear a song hehe they wouldn't let me play my flute in the hospital it mean a lot to play for someone again

Makarov:that's one creepy looking flute you got there

Kageyama:I know but it has a beautiful sound

Makarov:hmm..well I should be going but I guess one song couldn't hurt

Kageyama:oh thank you..better listen carefully please sir

Makarov:yeah yeah

Kageyama was about to play the flute when he puts it close to his mouth

Kageyama:*this is it*

He started to hesitate when he started to remember some things that he heard from his guild and the fairy tail wizards

Guildmate 1:*who would join a legal guild anyway they suck*

Guildmate 2:*those fairy tail guys are weak to be talking about such big talk*

Erigor:*the lullaby song will be our revenge against those who took our rights and forced us to live in the darkness*

Lucy:*killing innocent people won't help you get your rights back*

Gray:*you should for the positive you and your friends*

Erza:*kage please we need your magic*

Natsu:*HE WAS IN YOUR GUILD* YOUR FRIEND *SO WHY WOULD YOU KILL HIM*

Now the fairy tail wizards arrived and they saw kageyama with the lullaby flute and him with their master

Gray:ther he is

Natsu:gramps

Eza:master

They were trying to shout so that makarov could hear them but a bald man came out of nowhere and shushed them

Bob:shhhhh we're just getting into the good part

They looked back and saw the bald man wearing lipstick and hr looked at natsu gray and Lincoln

Bob:well aren't you yummy so adorable

natsu and gray were hugging each other and both of them were creep out while lincoln felt a chill running up his spine and stuttered

Lincoln:m-master bob i-its been a while

Bob:it's nice to se you too linky my you look handsome you'll probably get a girlfriend sooner or later

Lincoln meet the other guild masters before turning 16 after going on a mission but when he meet bob he reminded him about the two dads of his old friend and he was ok with them but with bob Lincoln knows that he is scary when he's mad

Lucy:who the heck is this guy

Erza:master bob

Bob:erza honey you really have filled out

Lucy:you telling me that guy is the master of the blue pegasus guild

Then a few hours kageyama stood still when he hesitated but making sighs

Makarov:well I can't all night young man

Kageyama:.....

Kageyama didn't had a choice but to play the flute

Erza was about to yell and stop kage but the other guild master stopped her

Goldmine:can you guys keep ot down over there we're just about to get to the good part

Lucy:he's eith cuarto Cerberus

Erza:that's master goldmine

Lincoln glanced at kage who lowered the flute a bit

Lincoln:so he's hesitating..gray must've told him something to try to change his mind

Lincoln glanced at kage who was hesitating even more to play the lullaby flute but master makarov spoke something important

Makarov:nothing's going to change you can not change the fact that those who are weak will forever remain weak now maybe it's just me but I don't think that's a bad thing I mean we humans are weak creatures by nature our insecurities are the reason that guilds even exist and they're why we have friends when we're surrounded with allies it's easier to stay positive about the future think of this way if we're clumsy we may stumble and bump into things but as long as we have faith in our future we continue marching forward our inner strength emerges on its own but we have to choose that path and pledge to live our lives to the fullest don't let that silly flute get in the way

Kage dropped the flute and kneeled down on both hands and feet

Kageyama:I surrender

After his speech the wizards ran to his side with smiles on their face

Erza:master

Natsu:gramps

Gray:gramps

Lincoln:grampa mak

Makarov:h-how did you kids end up in clover

Erza grabs the master and hugged him tightly

Erza:master your words touched me so deeply that I almost cried

Makarov:ow

Gray:well looks like we came here just in time to see gramps talk his way out

The lullaby flute was on the ground but the three eyes started to glow

Lullaby:**hahaha I'm tired of you cowardly wizards and your repulsive speech**

A big purple colored magic circle appeared on the sky and it made some lighting and fog to come out

Lullaby:**I can no longer hold back I shall come forth to devour you myself**

The giant circle vanished and then a giant wooden monster appears

Lullaby:**I should feast upon your souls**

Lucy:IT'S SO BIG

happy:way to state the obvious

Kageyama:WHAT is that thing erigor never said anything about a monster

Lincoln:so lullaby is a giant monster made of wood huh..damn it

Bob:we're in a pickle

Goldmine:it must be a demon from the book of zeref

The giant wooden monster walked towards a town

Lullaby:**now then which of these delectable souls should I devour**

Natsu:delectable huh do you think souls

Gray:how should I know what they taste like

Lincoln:sometimes I'm wondering how much of a dummy you are natsu

Lucy: are you always thinking about eating

Erza:natsu gray get everyone to a safe place

Natsu:quit barking orders

Gray:yeah your not the boss of us

Erza got angry and glared at them as they didn't want listen to her

Erza:just do it

Both:AYE MA'AM

Lincoln:heh alright time to get serio--

Lincoln couldn't finish talking when he saw an army of people

Rune captain:no giant wooden demon is not gonna scare the army of Fiore CHARGE

Everyone from the army charged at the giant wooden monster

Lullaby:**you doubt my power I'll prove it to you**

The monster opened it's mouth and shot a beam of magic and blew up a mountain

Rune knight 1:captain

Rune captain:RETREAT MEN RETREAT

They listened to their captain and ran off

Lullaby:**I have no need for those pathetic humans I perfer the taste of wizards souls and I'll consume all of yours**

Natsu:oh yeah I'd like to see you try bring it on big guy

Lucy:it's going to be ok fighting lullaby on their own

Happy:you should help them

Lucy:thank you but my celestial spirits aren't available right now

Happy:what an excuse

Lucy:DON'T JUDGE ME

This time a magic circle appeared when the wooden monster open its mouth again and roared loudly that everyone had to cover their ears

Erza:ready

Lincoln:ready when you are

Gray/Natsu:oh yeah

The three wizards then rushed to start their attack on The monster

Erza:REQUIP:THE KNIGHT

Gray:ICE MAKE LANCE

Natsu:FIRE DRAGON IRON FIST

The attacks managed to hit the monster it then got angry

lullaby:**YOU ARE MAKING ME VERY ANGRY**

Lincoln:HEY YOU PIECE OF WOOD HOW ABOUT YOU SHUT UP AND TURN INTO TOOTHPICKS

lullaby:**WHY YO--**

lullaby couldn't finish as Lincoln made flew in front of it and defeat it

Lincoln:EXPLOSION BURST

the impact of the explosion made a big gust of smoke and Lincoln landed on the ground

Lincoln:human:1 giant wooden monster:0

The fog lasted a for a while bit when it cleared out lullaby came back to its normal form

Makarov:well done

Bob:all of you are amazing

Goldmine:you kids seem to make it easy

Lucy:hehe

Kageyama:I can't believe how strong they are...wow all of the fairy tail wizards are as powerful as these four

Lucy:theres no doubt about it this is the strongest team

Happy:aye

Makarov:we're an awesome guild aren't we

Lucy:good work out their guys

Lincoln:aw thanks for cheering us on lulu

Lincoln makes a smile that made lucy blush but for erza she felt something else

Erza:*w-wait why am I feeling jealous I've never been that way before*

As the fairy tail wizards celebrated for a bit but when Lincoln turned around he saw a giant crater

Lincoln:ah shit..I think we went overboard

Makarov:what is it my boy

Lincoln points his finger behind him and the others looked at the crater but makarov went pale when he saw the giant crater

Natsu:hahaha we really made a mess on this place huh

Erza:pleeeease forgive us mater

Natsu:are you trying to capture anyone we'll do it for ya

Guild master 1:YOUR THE ONES WE'RE AFTER

Natsu:oh yeah that's right....GUYS LET'S GET THE HELL OUT OF HERE

Lincoln quickly requiped a truck and turned the engine on and the others hoped

Lincoln:ok...LET'S GO

Lincoln stepped on it and the vehicle started to move and he started to drive far away

chapter 15:an unexpected encounter

[image]
[image] [image] [image] [image] [image] [image] [image] [image] [image] [image] [image]

The next day after Lincoln and the others left clover they encountered a town that seemed abandoned then they split up and figure out what was going on the master found out that this town belonged to dark wizards who used a forbidden spell

After that they went back to the guild so natsu could fight against erza and Lincoln their match was interrupted by a frog that works for the magic council saying that erza was under arrest after that Lincoln left the guild to be alone for a moment so he was on top of a mountain near the guild he was looking at the city of magnolia

Lincoln:its been nearly a year since I've been here in his world...tch ive helped them and yet..they did this to me

???:well well well if it isn't my useless little bro

Lincoln froze and heard a familiar voice that he never wished to hear Lincoln then turns around and saw luna

Lincoln:l-luna

Luna:you've been hiding in this city isn't it you know that you can't escape from me

Lincoln:*wait this isn't the luna I know she's totally different*

Lincoln realized that she was different she wore a purple armor with spikes on her shoulder pads a brown shirt underneath the armor her armor had a red outline around her waist

Luna:hehe I must say you've grown and learned magic

Lincoln:*I guess I'll follow along with this conversation*

Lincoln:what do you want

Lincoln spoke to her with hatred and she smirked

Luna:it's obivous I'm here to kill for betraying us

Luna pulled a dark sword with some from a magic and got into a fighting stance while holding the sword

Luna:how about we fight to the death

Lincoln glares at her and summoned a sword so Lincoln can fight her

Both ran towards each other and started clashing their swords luna was slashing very fast that Lincoln nearly dropped his sword but he keeps up and went around her to strike from behind

Lincoln then backs away to stay a bit further from luna he jumps into the air and strikes with his sword but luna blocks the attack

Lincoln:tch damn it

Luna:whats wrong can't lay a scratch on me

Lincoln:shut the hell up

Lincoln started to swing the sword with force while luna was blocking with hers Lincoln tried to keep up but he feels like she was taunting him so when was going to strike luna went around him

The young man was starting to struggle against her but luna was stronger and faster than him so she was going to slice him in two but Lincoln blocks her sword instead luna kicks him in the gut and sends Lincoln to the ground

Lincoln felt pain on his back and he ignored it so grabbed his sword quickly and he gets up

Lincoln:your strong but I won't give up yet

Earlier

Everyone in the guild were worried when natsu had left to get erza they were still wondering why the magic council arrested her

Mirajane was thinking for a moment but then she felt something on her chest that made her freeze and when thst happened lucy noticed her

Lucy:is everything ok mira

Mira:this feeling...Oh no it's Lincoln!

She ran away to the entrance but everyone were starting to wonder why she just left but the master had a feeling so he closed his eyes

Makarov:*I have a feeling that something is going on right now*

Gray and lucy went after her to figure out what was wrong so they went to check what was going on

Mirajane was running all the way where her brother was and she can feel the magic energy coming from the mountains soon as she got there the young lady saw Lincoln laying on the ground noticing some bruises on his face

Mira:LINCOLN!!!

And Now

Lincoln heard someone yelling his name and he realized that it was his sister calling him

Lincoln:b-big sis...

Mirajane came up to him and reached out her arms giving and gave her brother a hug

Mira:what happened are you ok?!

Lincoln:I-I got ambushed-

Mira:BY WHO?!

Before he could answer lucy and gray arrived as well and saw their teammate on the ground covered in dirt

Gray:what the hell happened!

Mira:he was ambushed by someone...who did this to you!

Lincoln:a-an old face that I couldn't forget

Lucy:what are you talking about?

Mirajane stood in silence until she looked that her adoptive little brother the young felt his arm shaking

Mira:brother please tell me who did this to you

Lincoln:I-it was....luna one of my 10 sisters ambushed me

Her eyes widened so did Lucy and grays when Lincoln tried to get up mirajane hold his shoulder

Mira:don't move we'll take you to the guild and patch you up

Lincoln:t-thanks I-I appreciate it

Gray:I'll help you get up

Gray walked up and hold Lincoln's left arm on his shoulder while mira did the same

As they walked into the guild everyone saw Lincoln hurt they were shocked but the guild master had his eyes widened

Makarov:what happened to you young man?!

Gray and mira slowly lay Lincoln on a chair but lucy was in deep thought about the one Lincoln ambushed him

Mira:I'll get the emergency kit!

Lucy:I'll help you find it!

The girls left to find the emergency kit and after that elfman rushed towards Lincoln

Elfman:little bro what happened?!

Lincoln:she tried to kill me

Elfman:who?!

Lincoln:luna

Everyone started at him but a certain wolf cub jumped on top of him and Lincoln glanced at his animal partner

Lincoln:I'm ok fenrir

Makarov:hmmm...Lincoln tell me did she come with someone else

Lincoln:n-no luna was alone but it wasn't the one i know

Makarov:are you saying that?!

Lincoln:yes my family is here but they aren't the ones i know

After a few minutes mirajane placed some band-aids on his and then she asked him

Mira:and what was that magic i felt it couldn't be hers?!

Lincoln:I-I snapped when she said that they killed lily

Mirajane placed both arms around her mouth and she couldn't say anything but Lincoln noticed and he knew that it would be a very complicated subject to talk about

Gray:are you sure the luna woman came here to kill you or what?

Lincoln:she was different than the luna I know....

Makarov:hmm....

Lucy:what are you going to do

Lincoln:I need to train so I can be stronger and fight if I ever encounter her or the rest

After a few hours later both natsu and erza returned to the guild from the magic council and they didn't know what was going on so Lincoln told them what happened and they were in shock to hear that the one who ambushed him was one of his older sisters natsu was pissed while erza was the same then Lincoln told them that he'll be training if he ever encounters them

Somewhere else

In hargeon there was a person wearing a dark brown cloth he had brown skin and then pulled out a picture of him and Lincoln when he was 11

???:I can't wait to see you again bud and bring you back
